VINITA, IND. TER., JAN. 10.  
 Official Paper of the City.

New Senator Quay is charged with treachery and what of it?

Frank C. Churohill has been appointed Indian inspector to succeed J. George Wright.

The fellow who is continually on the lookout for a slice of political pie is never satisfied unless his feet are under some political table.

It is hoped that when the four million is finally collected that a satisfactory division of the spoils will be made. In the division of the \$128,000 "nigger steal" there was much dissatisfaction.

The New Year's issue of Fashions, published by the Jumbo Store, has just been received. The first issue for 1903 proves of exceptional interest, and every one will be pleased with the many interesting stories and handsome illustrations. The center page is particularly handsome, it being a collection of reproductions, called "The American Girl of 1903." Among the stories those entitled "A New Year's Adventure" and "Joy Cometh in the Morning" are of particular interest. The regular departments are all filled with matter of up-to-date interest. It will be well to call at the Jumbo Store at once and to make certain of securing a copy.

 Skin Soap.

The Standard of Every Nation  
 of the Earth.

Sale Greater Than the World's Product  
 of Other Skin Soaps.

Sold Wherever Civilization Has  
 Penetrated.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, in the form of baths for annoying irritations and inflammations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sanative, antiseptic purposes which readily suggest themselves to women, especially mothers, as well as for all the purposes of the toilet, bath and nursery.

Cuticura Soap combines delicate emollient properties derived from Cuticura, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying and beautifying the skin, scalp, hair and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath and nursery. Thus it combines in one soap at one price the best skin and complexion soap and the best toilet and baby soap ever compounded. Sale greater than the world's product of all other skin soaps. Sold in every part of the civilized world.

#### A Liberal Offer.

All our farmer readers should take advantage of the unprecedented clubbing offer we this year make, which includes with this paper the Live Stock Indicator, its Special Farmers' Institute Editions and the Poultry Farmer. These three publications are the best of their class and should be in every farm home. To them we add, for local, district and general news, our own paper, and make the price of the four only \$1.25. Never before was so much superior reading matter offered for so small an amount of money. The three papers named, which we club with our paper, are well known throughout the West, and commend themselves to the reader's favorable attention upon mere mention. The Live Stock Indicator is the great agricultural and live stock paper of the West. The Poultry Farmer is the most practical poultry paper for the farmer, while the Special Farmers' Institute Editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer, as it will hold good for a short time only. Samples of these papers may be examined by calling at this office. wif
